

Building Permit for Replacement of Windows, Doors, Roofing, and Siding.

The permit fee is \$75.00 plus a state surcharge of \$5.00 unless the **Estimated Value** is over **\$10,010**. Then you take the **value x .0005** for the surcharge. This surcharge rule is in effect until June 1, 2013.

Example:

Window Replacement Estimated Value: \$32,500

Permit Fee: \$75.00

Surcharge: \$16.25 ($\$32,500 \times .0005$)

Total Fee: \$91.25

Permit applications may be filled out online, then printed and returned with the appropriate fee.

A Permit Card to be posted at the job-site will be mailed to you.
