## Annual Water Report

The Consumer Confidence Report, better known as the drinking water report, is published each year by the city. The current report covers testing that took place on the city water system in 2017. Find the report online at <https://tinyurl.com/ShorewoodWater2017> or under Water/Sewer on the city web site.

The information provided in the water report is for residents connected to city water. Residents with wells are encouraged to have their water tested by a licensed facility. More information on well

water testing is available on the city web site.

If you have any questions regarding the information found in the water report, please contact the city at

## Disease Tree Program

For the second year, Shorewood residents that have concerns with oak, ash or elm trees on their property are able to have an arborist from S&S tree service evaluate the tree at no charge. In an effort to keep diseased trees out of the Shorewood urban forest, the free evaluation

services on the three trees that are of major concern will be offered through the summer months beginning in June.

To make an appointment for tree evaluation, please call city hall at 952.960.7900. Only appointments made through the city will be covered by this program. Evaluation of other tree types will not be covered in this free service. If you have questions about other tree species, please see the city website under Tree Care for a list of licensed arborists.

## City Investigating Organized Refuse

At the April 9, 2018 City Council meeting, the Council approved entering into a process to consider organized garbage collection. There is a statutory process that must be followed, and Shorewood is very early in the process. Engaging with haulers regarding organization does not mean that a specific outcome has been determined. It is an opportunity to gather information and discuss potential improvements to the garbage collection system. There will be opportunities for community engagement during the process. The city will use the newsletter to make you aware of significant

developments as the process unfolds. As new information is available it will be posted at the city's website, under "Living in Shorewood".

Click "Chose one", then "Garbage Collection".

\$10/advance; \$12/door  
2415 Wilshire Blvd, Mound

The Mound Fire Department and its firefighters will once again be hosting the MFD Fish Fry, with 2018 marking the 67th Anniversary of good times, good fish, and good community. We welcome you to join us as we work to reach 3,000 fish dinners served!

## Art on the Lake

Sat., June 9, 10 a.m.-6 p.m.  
Sun, June 10, 10 a.m.-4 p.m.

Excelsior Art on the Lake provides an inspiring experience for both the artist and the public. Local musicians will entertain and regional food vendors will be on site throughout the two-day event.

## Book Sale

Sat., June 23, 9 a.m.-5 p.m.  
Mon., June 25, 9 a.m.-4 p.m.

Bargain hunters and book lovers won't want to miss the Excelsior Library book sale. Proceeds benefit Friends of the Hennepin County Library. Donations will be accepted June 8-21 at the Excelsior Library, 337 Water St., during open hours. No textbooks, magazines, VHS or phonograph records, please.

## Christmas Lake Boat Access

The public access boat ramp at Christmas Lake is open daily 6 a.m.-10 p.m. throughout the boating season. Inspectors will be on duty during open hours to inspect boats for aquatic invasive species. To ensure that you pass the inspection and are able to launch your boat, please make sure you follow DNR recommendations. If you have questions, please contact the city at 952.960.7900. If there is an after hours problem with the gate, please call 952.690.7914 and press 2.

## Recycling Weeks for June 2018

All recycling must be curbside no later than 7 a.m. on recycling day. Mainland residents recycle June 13 and 27; Island residents recycle June 14 and 28.

Report misses before noon  
the next day: 952.941.5174

*Tip of the month: No single use coffee cups in the recycling or organics.*

## Green Your Summer Parties

Summer is a great time to have a party. Make a statement by hosting a zero waste party, birthday, shower, picnic or barbecue! It's easy! Below are some guidelines to help you make your next event a zero waste success!

### HERE'S WHAT YOU'LL NEED:

- Zero waste serveware (plates, cups, utensils). Either use completely reusable dishes

that can go in the dishwasher, buy completely compostable dinnerware and collect for the compost drop off, or a combination of the two. A compost drop off is available for no charge at Carver County Environmental Services or Hennepin County drop-off centers if your garbage hauler does not offer the service.

- Purchase items in bulk and do not buy food packaged in non-

recyclable plastic containers.

- Good signage that indicates what materials can be composted, recycled and landfilled.
- Bins and bags for recycling, compost and trash. Even if everything at your event is compostable and recyclable, keep at least one trash can handy in case guests bring landfill materials with them.

## Shorewood's Social Host Ordinance

Shorewood's social host ordinance was enacted to discourage underage consumption of alcoholic beverages by making the host of an underage drinking

party criminally responsible. A violation of this ordinance is a misdemeanor.

Complete information about social host responsibilities and

criminal action are available at city hall or on the city website under Public Safety.

## Lawn Care for Healthy Lawns

Did you know that you and your neighbors have waterfront property? Your yard and the nearest lake, stream, or wetland are connected by the nearest storm drain or ditch. That means the actions you take on your property affect the local water bodies.

In urban areas, rain falls on hard surfaces such as streets, driveways and rooftops and flows into the storm sewer system, which carries it to the nearest body of water. This rainfall, called stormwater runoff, brings along any pollutants it has picked up along the way. You can help reduce the amount of pollutants entering local lakes, rivers and streams (and save money at the same time) by following a few simple steps:

- Water wisely – if your lawn needs water, do it in the

morning when it's cooler to avoid evaporation, and make sure to aim sprinklers so they don't water hard surfaces. Lawns typically only need one inch of water per week, so if it rains, you can skip the watering.

- Mow three inches or higher – Mowing grass to a height of three inches or higher will encourage thicker and healthier grass and make your lawn more resistant to weeds, drought, and erosion.
- Sharpen your mower blades – Sharper blades will cut grass to three inches or higher more effectively.
- Leave grass clippings on lawn – Leaving your grass clippings on your lawn puts the same amount of nutrients back into your grass as one application of fertilizer. If you don't want grass

clippings on your lawn, compost them. Be sure to sweep up any clippings that blow into the street so they don't run down the storm drain.

- Fertilize smartly (if you need it) – If you choose to fertilize, only do it in the fall when it's most effective. Apply only the amount directed and be sure to choose a zero-phosphorus fertilizer. Another alternative to fertilizing is aerating your lawn.
- Pick up pet waste regularly – In addition to preventing lawn burns, regular pick-up of pet waste will keep bacteria from running off into storm drains and our local waters.

Following these tips will help keep your lawn healthy while keeping our waters clean and safe this summer. Learn more at [www.minnehahacreek.org/education](http://www.minnehahacreek.org/education).

## Crescent Beach

Lifeguard services are present 12-5 p.m. daily, June 9-August 12. To check for beach closures, go to the county website, <https://tinyurl.com/HennepinBeachClosure>.

## Shorewood Photo Contest: Take Two

The fall/winter photo contest was a hit and winning photos are on display at city hall. Now we want to see Shorewood in the spring and summer. We are looking for photos that show off the splendor of living in Shorewood. Submit photos in the following five categories:

- People of Shorewood
- Pets and Wildlife
- Events and Activities
- Spring Wonder
- Summer Splendor

Winners in each category will have their photos framed and displayed at city hall and will each receive a framed print. Submissions will be accepted through September 4, 2018, at 4:30 p.m. Voting will take place between September 5 and September 14. Winners will be announced on September 17.

### 2018 Photo Contest Rules

- Entrants must live, work, or attend school in Shorewood
- Photos must be taken in Shorewood between March 20 and September 4, 2018.
- Each photo entry must include photographer's name, address, phone number, and email address, age (if under 18), intended category and title of the photo
- Photo submissions with

professional logos or watermarks will not be considered

- Photos must be submitted to [cityhall@ci.shorewood.mn.us](mailto:cityhall@ci.shorewood.mn.us), or on a flash drive brought to city hall. Files must be in high resolution jpeg format. Include the exact location of photo being submitted.
- Participants must have permission from any persons pictured in the photo to use that photo and permission of a parent in case of minors – Subject permissions must be obtained before submitting photos
- Once submitted, entrants grant reproduction rights (both print and digital) to City of Shorewood
- Each person may submit up to five photos

For additional information contact the city at 952.960.7900, or email [cityhall@ci.shorewood.mn.us](mailto:cityhall@ci.shorewood.mn.us).

## Council Activities

Since the last council meeting the city council:

- Approved agreement between SLMPD and City of Excelsior for summer dock and park patrol services
- Set dates for 2018 deer management program
- Accepted improvements and final payment for 2016 streets project
- Requested an extension to the Comprehensive Plan submission deadline
- Accepted quotes for Boulder Bridge well house exterior improvements

*Minutes and agendas for city council meetings are available on the city website. You can register for email updates from the home page of the city website by signing up for the "General City News and Events" category.*

## Voting Absentee is an Easy Option

You can vote early in the primary or general elections by using an absentee ballot instead of voting in person on Election Day. Apply online: <https://mnvotes.sos.state.mn.us/ABRegistration> or print out and return your absentee ballot application to Hennepin County Elections, PSL 012 Government Center, 300 S 6th St., Minneapolis, MN 55487-0012. If you apply 46 days before

the election, your ballot will be mailed to you at least 46 days before the election. If you apply within 46 days of the election, your ballot will be mailed to you within a day or two of your application being received.

Once you have received and voted your absentee ballot, you may mail it back to Hennepin County in the

postage paid envelope provided with your ballot, or drop it off in person to Hennepin County Elections. All absentee ballots must be returned by 3 p.m. on Election Day. You may vote in person at Hennepin County or Shorewood City Hall beginning June 29, 2018, for the August 14 Primary Election.

If you have questions about absentee voting or the election process, please call the city, 952.960.7900.

## Shore Report June 2018

### Report Potholes

This is a bad year for potholes. Public works crews continue to patch roads throughout the city. If you notice a particularly bad hole, report it using the SeeClickFix app, available for your phone or from the city website, or call city hall, 952.960.7900.

State and county roads should be reported to those jurisdictions. See "streets" on the city website for links to those reporting sites.

## Get Your Half Price Energy Audit While They Last

Shorewood energy committee wants 90 homes to get an energy audit done each year. To encourage residents to participate, the city is offering half off Home Energy Squad visits. The first 25 homeowners who sign up get the \$100 visit for only \$50.

The audit includes:

- Installation of free materials, such as LED bulbs, a programmable thermostat, door and attic hatch weather stripping,

high-efficiency showerhead and faucet aerators

- Attic and wall insulation inspection
- Perform a blower door and thermal image testing
- Complete a combustion safety test and carbon monoxide check
- Get a customized report with additional recommendations

If your home needs insulation or air sealing, crews will provide a quote for the recommended work, and

connect you to a contractor that will honor the quote. You will also get an Energy Advisor to help you with next steps.

To schedule an appointment for a Home Energy Squad visit call 651.328.6220.

*Home Energy Squad is provided by CenterPoint Energy and Xcel Energy and delivered by the Center for Energy and Environment (CEE), a Minnesota nonprofit.*

## Road Construction Updates by Email

Keep updated on area road construction with the Road Construction Updates email option. To register for updates, go to the city web site, [www.ci.shorewood.mn.us](http://www.ci.shorewood.mn.us), and select "Get updates by email". Updates will be sent as new information is available. The updates are also posted on the ShorewoodMN Facebook page and Twitter feed. Residents living on roads that are

going to be under construction this year may sign up for the project eNews. Echo Road, Summit Avenue, Howard's Point Road, Oak Ridge Court and Kathleen Court should sign up for notices under "2018 Reclaim Road Construction"; Riviera, Mann and Shorewood Lanes should sign up for "Mann, Riviera and Shorewood Lanes Reconstruction". The email updates will be the

main form of communication for residents on these roads.
