

**CITY OF SHOREWOOD: COMMUNITY ISSUES RANKING**

ISSUES	1	2	3	4	5
	<i>Most Important ----- Least Important</i>				
<b>RESIDENTIAL</b>					
Provide more housing options, including multiple family housing and affordable single family homes					
Loss of historic character from teardowns of homes					
Providing housing opportunities for seniors					
Establish zoning regulations for development upon non-conforming lots and single family residential teardowns					
Build-out of Minnetonka Country Club subdivision					
Proactive code enforcement, maintenance of homes					
<b>NATURAL RESOURCES</b>					
Protecting water quality					
Tree preservation					
Improve stormwater management					
Investment in alternative energy systems					
<b>TRANSPORTATION</b>					
Traffic congestion – need for collector streets to accommodate volumes, especially County Road 19					
Street condition improvements					
Improve connections between Shorewood and Excelsior					
Improvement of Highway 7/Vine Hill Road intersection					
On-street parking					
Increase funding for roadway maintenance					
Increase bicycle safety and trail connections					
Increase pedestrian safety and trail connections					
<b>COMMERCIAL</b>					
Lack of basic commercial services					
Promotion of commercial redevelopment consistent with community’s character and City’s identity, such as Smithtown Crossing					
Need for more small office space					
Assure new developments are high quality					
<b>COMMUNITY FACILITIES</b>					
Southshore Community Center improvements					
Increase funding for park improvements					
Upgrade parks to respond to residents’ recreational needs					
Expand Public Works building; impounded vehicle parking					
<b>CITY/OTHER ISSUES</b>					
Upgrade aging water infrastructure					
Lack of community identity					
Haphazard municipal boundaries					
Improvement of relationships with nearby communities and handling of shared services					
Expand City water service to all residents
